

Call for nominations

Soldier On National Ski Camp, Comox, British Columbia, Canada
28 January – 3 February, 2018

RSL Active is calling for nominations from ill or injured Victorian ex-service members to represent RSL Victoria at the 2018 Soldier On National Ski Camp in Canada.

Building on the success of previous years, the intent of this event is for athletes from Australia and Canada to come together and participate in the Nordic sports of alpine skiing, snowboarding, and cross-country skiing. This camp will provide participants with an opportunity to connect through sport and recreation and assist them in their recovery, rehabilitation and reintegration.

Regardless of current skill level, participants will receive expert instruction. The days will be comprised of 5-7 hours of moderate to high-paced activities. Assistance throughout the event will be provided courtesy of Vancouver Island Society for Adaptive Snowsports (VISAS).

You do not need to be an experienced skier to nominate, but you do need to be able to demonstrate how this opportunity will benefit your recovery, rehabilitation and reintegration.
